☎ 604.822.2633 • 📠 604.822.6119

Building Code Compliance: List each **B.C. Building Code - Division B** reference where direct compliance with applicable acceptable solutions are not provided, and indicate all related **objective(s)** and functional statement(s) of the **Code**.

Please enter Building Code references, objectives and functional statements here.

If more room is required please attach an additional sheet.

Alternative Solutions: Identify each proposed alternative solution and briefly describe the analytical method and rationale used to determine that the proposed alternative solution will achieve at least the level of performance required by **Division B** of the **B.C. Building Code 2018**, in the areas defined by the objectives and functional statements attributed to the applicable acceptable solution.

Please describe alternative solutions here.

If more room is required please attach an additional sheet.
