

1 Help Us Make This Outdoor Space Yours

UBC is in the process of redesigning the outdoor areas around and including MacInnes Field, the areas around the new pool, the existing SUB, Alumni Centre and the new SUB.

This area is the heart of our campus. We'd like to hear from you on **how you would like to use these outdoor areas.**

Those who submit their ideas in person or online will be entered into a **Prize Draw.**

Your ideas matter and will help inform the programming for this area.

3 Post Your Ideas University Square

About this area: University Square is the plaza in front of the new SUB. It features a large multipurpose plaza, which incorporates the grassy knoll.

Note: This image is a preliminary design and subject to change.

4 Post Your Ideas

The Green (north and east of the existing SUB)

About this area: The Green is located at the corner of Student Union Boulevard and East Mall, including the space north and east of the existing SUB. Once completed, the Green will be a multipurpose gathering space with shaded trees, broad lawns and seating features.

Note: This image is a preliminary design and subject to change.

5 Post Your Ideas

The Bosque

About this area: The Bosque, Spanish for forest, is in front of the existing SUB. It is a formal grid of mature oak trees, creating shade and space for relaxation, studying and gatherings. It currently serves as a passage for people to move between the existing SUB and the academic core of the campus.

Note: This image is a preliminary design and subject to change.

6 Post Your Ideas

New MacInnes Field

About this area: Located between the War Memorial Gym and the new SUB, MacInnes Field is the grassy living room of the campus and serves as a multipurpose field. It is a central campus open space defined by its neighbouring social and athletic facilities.

Note: This image is a preliminary design and subject to change.
