

Photography at UBC COVID-19 Protocols

The following protocols are in place to prevent the transmission of COVID-19 when filming at UBC.

The Film & Events Office is responsible for developing and updating this document to meet current mandated requirements as advised by [UBC](#), [BC Provincial Health Office](#), and [WorkSafe BC](#), and are subject to change, including but not limited to:

- Productions to provide their safety plan for review by UBC before consideration for photography can be provided
- Anyone ill is not permitted to be on campus
- Anyone who has travelled and not vaccinated must self-quarantine for 14 days prior to arriving on campus
- Anyone who has come in contact with someone who has been diagnosed with COVID-19, must self-quarantine for 14 days prior to arriving on campus
- Advance notice must be provided for location scouts to visit the campus for scouting locations. Access into buildings that remain closed may not be permitted.
- All photography details and requirements (eg, cleaning services, security requirements, etc.) to be provided a minimum 12 business days in advance of the photo shoot day Last minute requests will **not be** considered
- Access to interior locations may be restricted due to faculty and staff that may be working, and classes that may be occurring inside the building. Any approval of use of washrooms inside a building open for programming will require a UBC Security patrol person to attend. Cost of the patrol person to be billed to production.
- Scouts of interior locations to be kept to a minimum and may only occur once a building has reopened
- Masks are recommended for indoor locations in buildings open for programming,
- Only one photography session or film production will be permitted on campus at a time, in any given area
- UBC to conduct cleaning prior to and immediately following photography if using any indoor locations. The additional cleaning will be billed to production. It is understood and approved that production may also need to conduct cleaning as per contract and insurance
- In some interior locations, 3-5 days may be required for the location to remain vacant before another photo/film activity will be approved to utilize the same space.

ci Photography at UBC COVID-19 Protocols

- assroom/lecture theatres will not be considered for photography/film activity through to September 2021 but may be extended.
