Watch the event recording for Planning a Sustainable Campus: Balancing Growth and Climate Action at UBC, which took place on January 25, 2023. This event featured a presentation by Simon Donner, an interdisciplinary climate scientist and Professor, on how UBC can take bold and courageous steps to balance growth with climate action on the Vancouver campus. The presentation was followed by a Q&A session moderated by Zana Mody, a former CBC journalist and current PhD student researching climate change mitigation and adaptation for coastal communities.
