Alternative Solution Information Sheet
(In Accordance with Clause 1.2.1.1. (1)(b), of Division A, of the British Columbia Building Code 2024)

Building Address: ____________________________________________________________

Building Name: _____________________________________________________________

Building Number: _______ Date:_____________________________

Alternative Solution #:_____ Title:______________________________________________

Project Description: Provide a brief description of the project, specify Major Occupancy (ies), and include applicable Construction Class Article(s) [3.2.2.____] in Division B, of B.C. Building Code 2024.

Please enter description here.

If more room is required please attach an additional sheet.

Note: Submission of the applicable Code Compliance and Alternative Solutions report prepared by the Registered Professional shall include a Building Code analysis related to the proposal, this sheet, and payment of the applicable review fee. The report and documentation must satisfy the requirements of Division C, Subsection 2.3.1. of the B.C. Building Code 2024.
**Building Code Compliance**: List each B.C. Building Code - Division B reference where direct compliance with applicable acceptable solutions are not provided, and indicate all related objective(s) and functional statement(s) of the Code.

*Please enter Building Code references, objectives and functional statements here.*

If more room is required please attach an additional sheet.
**Alternative Solutions:** Identify each proposed alternative solution and briefly describe the analytical method and rationale used to determine that the proposed alternative solution will achieve at least the level of performance required by Division B of the B.C. Building Code 2024, in the areas defined by the objectives and functional statements attributed to the applicable acceptable solution.
