

Henry Angus Bldg Sidewalk

Annotated Site Map

Total area inside red perimeter
280 sq. m.

GENERAL

- Building Entrance (Accessible)
- Building Entrance (Not Accessible)
- UBC Buildings

SITE SPECIFIC

- Perimeter of Bookable Area
- Length Measurement
- Fire Hydrant and Number
- Electrical Outlet

NOTES

Henry Angus Building is located in close proximity to academic buildings. Events must minimize noise impacts to university activities.

Use of electrical outlets (where available) requires approval from the UBC Film and Events Office. Standard draw only. To meet higher amperage needs, a generator is required.

Fire hydrants must be kept clear and unobstructed at all times.
