

Martha Piper Plaza

Annotated Site Map

Total area inside red perimeters
1,200 sq. m.

GENERAL

- Building Entrance (Accessible)
- Building Entrance (Not Accessible)
- UBC Buildings

SITE SPECIFIC

- Perimeter
- Length Measurement
- Fire Hydrant and Number
- Electrical Outlet

NOTES

Martha Piper Plaza is located in close proximity to academic buildings. Events must minimize noise impacts to university activities.

Use of electrical outlets (where available) requires approval from the UBC Film and Events Office. Standard draw only. To meet higher amperage needs, a generator is required.

Fire hydrants must be kept clear and unobstructed at all times.
