Prior to Submission Recommendations

Please contact Development Services at <u>Development.Permits@ubc.ca</u> to schedule a site visit with the Manager of Development Services and Landscape Architect.

Document Submiss	sion Requirements	
Application Form	A Development Permit Application Form must be completed and signed at time of submission.	
Application Fee	An application fee is due at time of submission.	
Certified Arborist Report	 A report from an ISA Certified Arborist/ Certified Tree Risk Assessor is required and should include the following information: The size, type, and condition of tree(s) to be removed A map/site plan/landscape plan identifying the location of the trees/shrubs to be removed Photos of the tree(s) to be removed including areas of decay or decline Location and type of proposed new plantings or replacement trees 	
Written Rationale	A written rationale for the proposed tree removal(s).	
Consent Letters (when applicable)	If there are multiple addresses involved, signed consent letters from each owner must be provided.	
Strata Approval (when applicable)	A copy of strata council meeting minutes/resolution or official letter supporting the tree removal(s).	
Tree Survey (if not provided in the Arborist Report)	Location and identification of all existing trees and other significant plant material on- site, including trees requiring removal.	
Tree Removal Sign (if required)	The applicant may be required to post a notification sign a minimum of 48 hours prior to the removals taking place. The sign layout and content will be provided by Development Services staff while installation, cost and removal are the responsibility of the applicant. (Photo verification of posting required).
