Feedback Form

Climate Action Plan 2020
September 2015

Tell us about your idea for reducing UBC Vancouver campus GHG emissions

1. Which of the following areas does your idea address?
   - Buildings (e.g. new building design, renovations, maintenance and operations, building commissioning and optimization)
   - Energy supply (e.g. alternative energy sources)
   - UBC-owned vehicles (e.g. vehicle types, procurement, maintenance and management)
   - Individual behaviour (e.g. lab equipment use, windows, heating and hot water use)
   - Other (e.g. carbon capture)

   Please describe your idea:
   __________________________________________________________
   __________________________________________________________
   __________________________________________________________
   __________________________________________________________
   __________________________________________________________
   __________________________________________________________

2. Are there any research opportunities associated with your idea?
   __________________________________________________________
   __________________________________________________________
   __________________________________________________________
   __________________________________________________________
   __________________________________________________________
   __________________________________________________________
   __________________________________________________________

3. Are there any cost savings to the university associated with your idea?
   __________________________________________________________
   __________________________________________________________
   __________________________________________________________
   __________________________________________________________
   __________________________________________________________
   __________________________________________________________
   __________________________________________________________

4. What do you see as the benefits of your idea?
   __________________________________________________________
   __________________________________________________________
5. What are some of the drawbacks or challenges to your idea?

_____________________________________________________________________________________
_____________________________________________________________________________________
_____________________________________________________________________________________
_____________________________________________________________________________________
_____________________________________________________________________________________
_____________________________________________________________________________________

6. Any other things we should consider regarding your idea? (implementation, risks, challenges, opportunities)

_____________________________________________________________________________________
_____________________________________________________________________________________
_____________________________________________________________________________________
_____________________________________________________________________________________
_____________________________________________________________________________________
_____________________________________________________________________________________

Tell us about you:

1. How are you associated with UBC? *(please check all relevant boxes)*
   - Student
   - Faculty
   - Staff
   - Alumni
   - Resident
