Pedestrian route changes in the U Boulevard area: January 2018 – November 2019

Part of UBC’s commitment is to create an outstanding academic experience supported by a complete community where people can live, work, learn and play on its Vancouver Campus.

While the new Bus Exchange is being built, the sidewalks around the construction site on Student Union Boulevard and Wesbrook Mall will remain closed.

Pedestrian detour routes are shown in the map.

Legend

- Pedestrian routes
- No pedestrian access
- No wheelchair access
- Construction sites
- Bus stops
- Public parking
- Short term parking
